- ➢ Lifetime Warranty

Elegant Appearance

The CQ200 has a simple and classic look that will blend into any office arrangement. The combination of high quality materials and a lifetime warranty ensures that this phone will fit seamlessly in your office, even as time passes and styles change.

Life-like Voice Quality

The CQ200 is built for the very highest level in voice performance. It supports G.722 codec, which covers a wide range, including both low frequency and high frequency bands, and it complies with TIA920 certification standards. The CQ200 enables calls with an HD voice quality like you're talking to the other party face-to-face. Furthermore, the CQ200 supports full HD, including HD handset, HD speaker, and HD ring tones.

Lifetime Warranty

CQ Simple stands behind the CQ200 and its top of the line craftsmanship. To make this more than works CQ Simple provides a Lifetime Warranty on the phone.

Compatibility

The CQ200 HD IP Phone was designed to work effortlessly with the Nimbus Platform.

Advanced Connectivity

The CQ200 is able to connect with the LAN network by PoE technology (IEEE 802.3af Power over Ethernet).
